— ICPP Annuity Preparation Fund — Annuity Preparation Benchmark

Benchmark returns are equal to two thirds of the FTSE Canada Long Term Bond Index and one third of the FTSE Canada Universe Bond Index in Canadian dollars determined on a monthly basis. This benchmark is used to provide reference to widely known and followed benchmarks.

Rates of return for the Fund are calculated on back-tested data for periods prior to the inception date. Back-tested performance data is based on a model and is hypothetical performance data, it does not depict actual performance returns for ICPP Annuity Preparation Fund and it has been calculated with the benefit of hindsight.

The indicated rates of return are historical annual compounded total returns, including changes in unit value and reinvestment of all distributions. The Fund was managed by ICPP Funds Ltd. from inception until August 8, 2022 and by Addenda from August 9, 2022. Investments in the Fund are not guaranteed, their values change frequently and past performance may not be repeated. Investment losses do and may occur, and investors could lose some or all of their investment in the Fund.
